placed on the market by the company

Alca plast, s.r.o.

Biskupský dvůr 2095/8, 110 00 Praha 1, Czech Republic
having company's registration number: CZ25655809

from the site of manufacture

Alca plast, s.r.o.

Lanžhotská 27, 690 02 Břeclav, Czech Republic

it has reviewed the documents submitted, carried out the initial type testing on a sample and assessed the factory production control. The Authorized Body No. 224 ascertained conformity of the product properties with essential requirements of the GO 163, which are specified by the following technical standard **CSN EN 14124**.

Further, the Authorized Body No. 224 ascertained that the method of checks on the products complies with the submitted technical documentation and ensures that the products placed on the market fulfil the requirements laid down by the above mentioned norms and by the technical documentation pursuant to Section 4, Subsection 3 of the GO 163, as amended.

A part of the present Certificate is the Final Report No. **7835 02332/2020** dated 2020-08-31 containing conclusions of the assessment, the test results and basic description of the product, as necessary for its identification.

This Certificate remains valid as long as the requirements laid down in the technical documentation and/or norms in reference or the manufacturing conditions in the factory or the method of checks on the products are not modified significantly.

The Authorized Body No. 224 performs at least once per year a surveillance of the factory production control in the production site, takes samples of the product and by the way of testing it finds out, if the product properties comply with the requirements of the norms according to the Section 5, Subsection 4 of the mentioned Government Order. If the Authorized Body finds any shortcomings it has the right to cancel or amend the Certificate it has issued.

Issued in Zlín on **31st October 2012**
Revision c): **31st August 2020**

Mgr. Jiří Heš

Representative of the Authorized Body No. 224
