**Lanžhotská 27, 690 02 Břeclav, Czech Republic**

it has reviewed the documents submitted by the applicant, carried out the initial type testing on a sample and assessed the factory production control. The Authorized Body No. 224 ascertained conformity of the product properties with essential requirements of the Government Order No. 163/2002, Collection of Laws, as amended by the Government Order No. 312/2005, Collection of Laws, which are specified by the following technical standards **ČSN EN 1253-1**.

Further, the Authorized Body No. 224 ascertained that the factory production control complies with the submitted technical documentation and ensures that the products placed on the market fulfil the requirements laid down by the above mentioned norms and by the technical documentation pursuant to Section 4, Subsection 3 of the Government Order No. 163/2002, as amended.

A part of the present Certificate is the Annual Inspection Report No. **343504707/2014** dated 24<sup>th</sup> November 2014 containing conclusions of the assessment, the test results obtained and basic description of the product, as necessary for its identification.

*This Certificate remains valid as long as the requirements laid down in the technical documentation and/or norms in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.*

*The Authorized Body No. 224 performs at least once per year a surveillance of the factory production control in the production site with the requirements of the norms according to the Section 5a, of the mentioned Government Order. If the Authorized Body finds any shortcomings it has the right to cancel or amend the Certificate it has issued.*
